Guests – Residents: Kathy Koehler, Don Pasco

Call to order – 7:12pm.

Review and Approval of Minutes – Post Pending Approval for Jan and Feb.

MVFPD – No Actions

County Actions

- **Road Maintenance** – Next Boulder County meeting is Thursday March 4th where the workgroup presents to the County Commissioners.
- **Niwot Park**- no actions.
- **Sheriff Substation in Niwot** – Neal to write a letter encouraging them to retain a presence in Niwot. Include this subject in the newsletter.

Land Use

- **Cleanup Day** – May 15th. Heidi to contact the county in March about dumpsters. Last year we had 7 total, 1 being scrap metal. Should we charge or not charge for this event? The cost was \$500 last year so we discussed a \$5 one time fee. Renae stated she would like to see the event remain a free event for the community.

Nostalgia Day – Pat will write up the LID request for funds totaling \$3500 to assist with costs. This year's event we believe is going to be a tree carving event. We need to confirm this. Sheriff presence is needed from 8pm to 11pm for crowd control.

Medial Marijuana Stores – We discussed the possibility of this type of business coming to Niwot and the need to collect community input on the matter and discuss it at the annual meeting.

The annual Meeting agenda was defined and date set for April 7th, 7pm at the grange. Don Pasco volunteered to be the Area 5 representative.

Treasurer's Report – Terry gave the treasurers report.

Adjourn – 8:30pm
