donation!**
**Please eat and drink plenty before
donating!**

Diagnosed with a rare and potentially fatal complication 30 weeks into her pregnancy, Kristin needed platelet transfusions to be stable enough for an emergency C-section. She received dozens more blood transfusions to keep her alive.

"Donors gave life to a stranger, expecting nothing in return. They have shown true humanity and I am forever grateful."

Kristin M.

BLOOD RECIPIENT: 98 UNITS
